Dear Mr. Srinivasa Iyengar,

Many thanks for your note regarding the Combined Cadre of Civil Judicial & Magisterial Services. I agree with you that of the two proposals no (1) is on the whole preferable.

At present a Munsiff gets only Rs 150/- p.m during the first year of his service, so that it takes him really 11 years to reach the maximum Rs 450/- the Diff.ce being then only 5 years. It is no doubt true that by the next proposal the Munsiffs will be, to some extent at a disadvantage in having normally to wait for 5 years more to reach the maximum, but in all unification schemes there is bound to be some advantage & some disadvantage side by side. What we have to look to is the net result so far as the unified Cadre is concerned.

Supposing we make the grade $150 - \frac{25}{2} - 200 - 25 - 250$. It will take 14 years instead of 16 years to reach 450/- assuming that the period of

Combination of the Civil Judicial and Magisterial services into one cadre.

(Note prepared as per instruction in Council)

I have put up two statements A and B, the former showing the allocation of the different grades among the Civil Judicial, Magisterial and Civil Services, and the latter giving a comparative cost of the present (separate) and the proposed (combined) cadres,

(a) with two classes for Munsiffs,

and (b) with one single time-scale,

In the proposals made in this note, it is assumed that consequent on the transfer of 2 First Grade and 3 Second Grade Magistrates' posts to the Civil Judiciary, the following 5 First and Second Grade Magistrates (not recruited from the Bar) will be absorbed either in the appointments of the Magistrates reserved for the Civil Service or in the cadre of non-civil service - Assistant Commissioners:-

Messrs.		Salary Rs
M.Rama Rao, B.A.,B.L.	Ag. 1st Grade Mag. (on other duty in Palace).	425
G.Mallikarjunaih, B.A.	Mag. Chikballapur,	350
A.Viswanatha Mudaliar, B.A.,B.L.	Mag, Nanjungud,	325
N.Sitaramaiya, B.A.,B.L.	Mag. Kolar,	275
K.Subba Rao, B.A., (Ag)	Mag. Hassan,	200
		+50

For calculating the present cost, one permanent Small Cause Court sanctioned for Bangalore and one Munsiff's Court, have been taken into account. The total present cost will be about Rs 17490/- per mensem.

Note–Contn. Sheet

Serial No.

In the proposed scale, the cost is worked out under four methods, the varying factor being the grading of Munsifs-Magistrates into 2 classes or in one time-scale. In the 1st method, Munsiffs are divided into 2 classes corresponding to the parallel grades in the Revenue Department, viz., Assistant Commissioners 250-25-450 and Amildars, 150-$\frac{25}{2}$-250. The total cost is Rs 17,570 per month and is about the same as at present:-the actual increase is small being Rs 80 per mensem.

There is a possible objection to this scale. As direct recruitment will be made only to the Munsiffs, 2nd class, it may take 16 years for a recruit to reach the maximum, (assuming no stagnation at Rs 250 in the 2nd class), against 11 years (including a year's probation) under the present grading. The occurence of vacancies which may be expected under normal conditions may, however, accelerat promotion from class to class.

Scale No. (2) has been prepared by reducir the period of earning increments in the 2nd class of Munsiffs from 8 to 6 years. This Scale contemplates the continuance rate continues at the rate of increment at Rs 25 annually from Rs 200/- ~~instead of Rs 250/-~~. The extra-cost under this arrangement will be Rs 110 per mensem, i.e., about Rs. 30 more than under Scale No.(1).

Note–Contn. Sheet

Serial No.

To bring down extra-cost, Scale No.(3) is suggested in which the number of 1st class Munsiffs is retained at the present figure, viz., 25, the extra Munsiff newly sanctioned being added to 2nd class. The cost under this arrangement will be slightly less than the present level.

Lastly, a time-scale No.(4) is also worked out according to which the maximum will be reached in 14 years after confirmation. Taking the financial average formula, this time-scale will be the cheapest, showing a reduction of Rs 424/- per mensem or Rs 5,000/- per annum below the present cost.

I discussed the alternative scales with the Chief Judge on the 8th instant, who supports Scale No.(2) as the most suitable one for adoption from the departmental point of view. The advantages of this scheme are the following

(1) Though the interval for reaching the maximum pay of a Munsiff is extended to 14 years against 11 years at present, the arrangement of 2 classes will provide for acceleration of promotion on the occurence of permanent or temporary vacancies in the higher appointments, under normal conditions.

(2) The rate of increment being kept at Rs 25 annual starting from Rs 200/-, the present grading of Munsiffs is practically maintained.

(3) The provision of two classes will facilitate

Serial No.

facilitate the selection of efficient Munsiffs to the First class.

From the rough calculations made on the basis of the entries in the latest Civil List it will be seen that the actual cost under either Scale No.(2) or Scale No.(4) will be about the same during the first few years of the revision.

In view of the foregoing considerations Scale No.(2) may be adopted as recommended by the Chief Judge, the small average extra-cost involved being permitted.

Submits proposals of the Chief Court regarding the amalgamation of the Civil, Judicial and Magisterial services.

At the meeting of the Dewan, Members of Council and the Judges of the Chief Court, the question of the amalgamation of the Civil, Judicial and Magisterial cadres was discussed and it was agreed that the Magisterial cadre be abolished and that the existing Magistrates may be allocated among the Civil Service, Subordinate Judges, Munsiffs and Amildars' cadres.

The Chief Court has now sent up proposals in accordance with the above decisions for the allocation of Magistrates in the several cadres. I had a further talk with the Chief Judge on the 19th evening when it ~~was agreed~~ he suggested that it is not necessary at present to train Amildars for Magisterial work. ~~It is therefore unnecessary to allocate any~~ places for ~~Magistrates~~ in the Amildari cadre ~~at present~~.

In accordance with the above proposals a draft order, abolishing the cadre of Magistrates, increasing the number of Sub

The main features of the scheme are:--

1. The inclusion of 5 places of Magistrates in the Sub Judges grade against 2 at present.
2. The creation of two classes of Munsiffs,-
   I Class Munsiffs - 250-25-450,
   II Class Munsiffs - 150-25/2-200-25-250.
3. Fixing the number of Munsiffs, I & II Classes:--
   I Class - ~~24~~ 27 permanent, 3 temporary.
   II do. - ~~15~~ 13, do.
4. Including 16 appointments of Magistrates in the Munsiff's cadre, instead of two at present.

& 5. Continuing 8 appointments of Magistrates in the Civil Service cadre as at present.

The proposals involve an extra cost of Rs. per mensem, which may be met from the lump sum provision in the Judicial Department budget.

NOTE—Contn. sheet

Final Note by the First Member of Council.

Subject:—

Amalgamation of the Civil and Magisterial cadres of the Judicial Department.

As a result of the scheme for the separation of the Executive and Judicial functions introduced in the State, 29 Courts of Special Magistrates have been established. The officers in charge of these Courts are partly drawn from the Civil Service and partly from the Judicial Service but a large number recruited from the Bar and from among other Law Graduates, form a special cadre which is divided into three grades. This system, by which men of more or less similar qualifications are allocated to two different branches of the Judicial service, has led to inequalities in the rate of promotion among these officers. It has also prevented free interchange of officers between Civil, Judicial and Criminal duties according to the exigencies of the public service. It was therefore considered desirable to amalgamate the two services, and the views of the Chief Court were invited on this proposal. The Judges have generally agreed that the continued maintenance of a special cadre of Magistrates is unnecessary and that the officers now belonging to that cadre might be given suitable places in the Civil Service or in the Civil Judicial Department according to their qualifications and experience.

A draft order was accordingly prepared on the following lines:-

(1) Abolishing the separate cadre of Magistrates and including them in the Civil Judicial Department and the Civil Service cadres as shown below:

5 Magistrates to be included in the Sub Judges' cadre,
8 Magistrates in the Assistant Commissioners' cadres as at present and 16 Magistrates in the Munsiffs' cadre.

(2) Creation of two grades for Munsiffs:-

I Grade, Rs. 250-25-450, and
II Grade, Rs. 150-25/2-200-25-250;

The number in the I grade including the new Courts sanctioned to be fixed at 28 and in the II Grade at 12, plus 3 temporary.

In this connection the Chief Court have also sent up certain proposals for nomination for new appointments of Munsiffs in existing vacancies.

All the above proposals were considered at a Meeting of the Council held on the 22nd September 1927 when the following resolution was recorded:-

"The draft order regarding the amalgamation of the Civil-Judicial and Magisterial services may be approved.

"In determining the rank of the several Special Magistrates in the Civil Judicial Department, their present pay and length of their permanent service in corresponding grades will be taken into consideration.

"After the officers now acting as Munsiffs are absorbed in the first grade, vacancies in this grade will be ordinarily filled up by the promotion of officers from the second grade.

"Messrs. M.Rama Rao and G. Mallikarjuniah, now included in the Magisterial cadre may be taken to the non-Civil service (Revenue Department) and Mr. Abdul Razaak posted as an Amildar.

"The recommendation to appoint the following persons in the second grade of Munsiffs may be approved:-

(1) Mr. C.B. Srinivasa Rao, M.A., LL.B.,
Acting third grade Magistrate.
(2) Mr. B.K. Ramakrishnaiya, M.A., LL.B.,
Advocate, Mysore.
(3) Mr. N. Balakrishnaiya, B.A., LL.B.,
Advocate, Bangalore.
(4) Mr. J. Rudrappa, B.A., LL.B.,
Advocate, Tumkur.
(5) Mr. A. Ananda Rao, M.A., LL.B.,
Advocate, Narasimharajpur.
(6) Mr. C. Abdul Nabi, B.A., LL.B.,
Advocate, Bangalore."

The order has been issued with the sanction of the Dewan in anticipation of His Highness' approval and the Chief Court have been requested to submit proposals for the allocation of the existing men in the new grades.

The proposed amalgamation of the Civil-Judicial and Magisterial cadres and the appointments of the six gentlemen in the II grade of Munsiffs, as recommended by the Council, may be graciously approved.

Subject :— Allocation of the Judicial Officers in the revised grades of Subordinate Judges and Munsiffs.

With reference to His Highness' orders dated 29th September 1927 sanctioning the amalgamation of the Civil and Magisterial cadres of the Judicial Department, and also certain nominations for new appointments of Munsiffs, I beg to state that the Chief Court have recommended the allocation of the existing officers in the revised grades of Subordinate Judges and Munsiffs as shown in the statement attached.

2. The confirmations and promotions recommended by the Chief Court are in the order of seniority.

3. Mr.S.A.Vaidesvara Iyer, one of the Senior Munsiffs, is proposed to be promoted as acting Subordinate Judge. From the confidential reports about this officer for the past three years, it is however found that his work is not satisfactory.

4. The matter was considered in Council at the meeting held this morning and the Council are of opinion that Mr. Vaidesvara Iyer need not be promoted as Subordinate Judge for the present, and that in his place the next senior Munsiff, Mr.S.R.Ramaswami Aiyar, may be selected for the temporary vacancy in the Subordinate Judge's grade. The Council consider that with this modification the recommendations of the Chief Court for the confirmations and promotions of officers in the Subordinate Judges' and Munsiffs' grades, as well as the allocation of all the Judicial officers in the revised grades, as detailed in

the draft notification and draft order, respectively, may be approved. The precedence as between those appointed as Second Grade Munsiffs will be settled after getting more details from the Chief Court. As one of their nominees, Mr. N.Balakrishayya, does not wish to be appointed Second Grade Munsiff, there is one vacancy yet to be filled up for which proposals will be called for from the Chief Court.

5. Messrs. M. Rama Rao and G.Mallikarjuniah, who are now borne on the Magisterial grades, could not be absorbed in the cadre of the Judicial Department. They are therefore proposed to be taken to the Civil Service cadre. The question of amalgamating the non-Civil Service cadre of the Revenue Department with the Civil Service cadre is under consideration and the rank of these two officers will be settled in connection therewith.

6. As the matter is urgent, the notification and the draft order are being issued. The recommendation of the Council may be graciously approved.

Dear Sir,

As you are aware, the rules governing the appointment of Special Magistrates provide that out of eight First Grade -- Magistrates, four should be selected from the Civil Service (ordinarily from Senior Assistant Commrs.) and two from subordinate Judges, the remaining two posts -- being reserved for Magistrates promoted from the lower grade. Of the nine appointments in the 2nd Grade, four are reserved for Assistant Commrs., two are to be recruited from among the Munsiffs, --- leaving the remaining three to be filled by promotion of 3rd Grade Magistrates or by appointment of Amildars or others -- whom Govt. may consider fit. The 3rd Grade Magistrates have been recruited from the Bar mainly, or from law graduates, with practically the same qualifications as those demanded in the case of Munsiffs.

2. Cases have occurred where owing to this diversity in the composition of the cadre, Officers appointed as Magistrates have gone, or are likely to go, ahead of those possessing equal qualifications and longer service in the Judicial and Revenue Departments. On the other hand, it is probable that, in course of time, the Magistrates who have quickly reached the 1st Grade may have to stagnate there, -- blocking opportunities for promotion of the 2nd and 3rd Grade Magistrates.

3. A proposal has been made to Govt. that in order to provide an even flow of promotion and to equalise the chances of

As an alternative to the Scheme mentioned in Mr. Nagaraja's Letter No. P 3988/CS 227-26-1 dated 17th October 1927

recruited to the Judicial and Magisterial branches of the service, the special -- Magistrates should be absorbed in the appropriate grades of the Judicial service. Under this arrangement, all the 1st Grade Magistrates, other than those belonging to the Civil service, will be merged in the cadre of Subordinate --- Judges, the scale of the latter being correspondingly enlarged. Similarly all 2nd Grade Magistrates (other than Assistant Commrs) will be included among Munsiffs. It is desirable that the -- posts of 3rd Grade Magistrates (barring six appointments which it is proposed to reserve for training in judicial work Amildars) should also be merged in the cadre of Munsiffs. For this purpose, however, it will be necessary to reduce the minimum pay of Munsif or to have two grades of Munsiffs. Officers posted as Magistrates either from the Civil (or Amildari) service ~~or from the Judicial Service~~ will draw the grade pay of their own service. Further all Assistant Commrs. and Amildars, duri their employment as Magistrates, will be amenable to the disciplinary control of the Chief Court to the same extent as ~~Magistrates recruited from the Judicial service proper~~ their Judicial Heads.

Government --

Government will be glad to be favoured with the views and suggestions of the Chief Court in the matter.

Yours sincerely,

ISSUED.

N O T E

on the

AMALGAMATION OF CIVIL, JUDICIAL AND MAGISTERIAL CADRES.

* * * * * * *

In the report I recently made regarding the administration of criminal justice, I have expressed myself against the proposals for the combination of civil and magisterial functions in the same officer and also against the suggestions contained in Mr. Nagappa's letter No. E.3988/Cts. 227-26-1 dated 7th February 1927 on the subject. The scheme outlined in Mr. Madhava Rao's D.O. letter of the same date for the unification of the civil judicial and magisterial cadres, appears to me to be well considered and suitable for meeting the present requirements, and will lead to even flow of promotion among the judicial officers of both the cadres, and will conduce to the contentment of the two Services.

2. There are now eight appointments in the First Grade of Magistrates, four reserved for Senior Assistant Commissioners two for Subordinate Judges, and the remaining two for promotion from the lower Grade Magistrates. Under Mr. Madhava Rao's

scheme, two more appointments will be added to the Subordinate Judge's Grade. Under the orders recently passed by Government on the recommendations of the Laws' Delays' Committee, there will be two Small Cause Courts manned by officers of Subordinate Judges' Grade and one temporary Subordinate Judge's Court at Bangalore for a period of two years, will be established, the additional temporary Subordinate Judge's Court now at Mysore being abolished. Thus there will be in all eleven officers in the Subordinate Judges' Grade, viz. :--

3	Sub Courts, one for each Division
1	Registrar, Chief Court
2	Small Cause Courts
1	Temporary Sub Court at Bangalore for two years.
4	First Grade Magistrates
11	

3. As regards Second Grade Magistrates, we have now nine appointments, four reserved for Assistant Commissioners, two for Munsiffs and three for promotion from Magistrates of the Third Grade or Amildars or other officers. Mr. Madhava Rao

proposes that four of these appointments may continue to be reserved for Assistant Commissioners and the remaining five, incorporated in the Munsiffs' cadre, instead of only two as at present.

4. Among Third Grade Magistrates there are now twelve appointments recruited from the Bar or other Law Graduates. Mr. Madhava Rao suggests that six of these appointments may be reserved for Amildars to be trained in magisterial work and the remaining six included in the cadre of Munsiffs.

5. At present there are 23 Munsiffs in the regular civil line, and two as Second Grade Magistrates. As a result of the recommendations of the Laws' Delays' Committee, 4 more appointments of Munsiffs will be created one permanently and 3 temporarily. In all there will thus be 29 appointments. The inclusion of 3 more Second Grade Magistrates and 6 more Third Grade Magistrates as Munsiffs, as suggested in Mr. Madhava Rao's letter, will raise the Munsiffs' cadre to 38.

At present the pay of the Munsiffs is Rs.200-25-450. The pay of the Second Grade Magistrates is Rs.250-25-450 and that

of Third Grade Magistrates is Rs.150-25/2-250. Thus while there will be a saving of Rs.50/- in the initial salary of each of the Second Grade Magistrates now to be included in the Munsiffs' cadre, there will be larger expenditure if the Third Grade Magistrates on Rs.150-25/2-250, are included in the cadre of Munsiffs on their present scale of pay. Evidently the Government are not prepared to incur any extra expenditure on the unification scheme. It is therefore suggested in Mr. Madhava Rao's letter that either to reduce the minimum pay of Munsiffs or to have two grades of Munsiffs, one on the present scale of pay, and another on a lower scale. I am not in favour of reducing the present scale of pay attached to the posts of Munsiffs. The only other alternative feasible is to have a Second Grade of Munsiffs, with a fixed salary, say Rs.175/- which is midway between the pay of an acting Munsiff (Rs.150), or the starting pay of a Third Grade Magistrate (Rs.150), and that of the starting pay of a permanent Munsiff (Rs.200). Now that we are to have 38 appointments in the Munsiffs' cadre, both permanent and temporary, about six appointment more or less may possibly be held by acting incumbents. For them also the same salary of Rs.175/- may be allowed. I would suggest

that 29 appointments may be attached to the permanent First Grade of Munsiffs and 3 appointments to the 3 temporary First Grade Munsiffs, both on Rs.200-25-450, and 12 appointments to the Second Grade of Munsiffs on a fixed salary of Rs.175/- of which 6 should be regarded as of a permanent nature, and 6 as temporary. The latter appointments will cease one after the other as Amildars are posted from time to time for training in Judicial work. As each of the present incumbents of the Third Grade Magistrates is absorbed by promotion to the First Grade of Munsiffs or otherwise, the place vacated by him may be given to a selected Amildar, until 6 Amildars are so brought in. As stated in Mr. Madhava Rao's D.O., officers posted as Magistrates either from the civil or amildari service will draw the grade pay of their own service,and will not be included in the judicial cadre. They will, however, be amenable to the disciplinary control of the Chief Court, during the period of their employment as Magistrates. All officers of this combined cadre, while serving as Magistrates will be designated as Magistrates of the First, Second or Third Class as the case may be.

6. We have next to consider the relative rank which the present Magistrates

should occupy in the proposed unified cadre. The case of the existing Third Class Magistrates seems to present no difficulty as none of them is now drawing more than Rs.175/- and as such all of them can easily be drafted as Second Grade Munsiffs without affecting prejudicially either their own position, or that of the other Munsiffs already in the cadre. As regards the five Second Grade Magistrates to be brought in, the officers concerned are

Messrs.	Dated	Pay.
1. Abdur Rahim	24-12-19	325
2. S. Krishnamurthi	2- 1-20	325
3. A.Viswanatha Mudaliar.	25- 6-21	325

In the first Grade the only officer concerned is Mr. C. Narayanaswami Naidu, appointed as Second Grade Magistrate on Rs.350/- on 1st November 1923, and now drawing Rs.500/- as First Grade Magistrate.

7. In dealing with these cases, we have to bear in mind the principles on which similar questions were dealt with in the past.

The case of Mr. B.R.Krishnamachar:--

Mr. B. R. Krishnamachar, Advocate and Public Prosecutor of Mysore was appointed First Grade Magistrate on 2nd January 1920

on Rs.500/- when the Separation Scheme was first introduced in the Bangalore District. In Government Order No.333-44/C.B. 161-194 dated 3rd September 1920 Government directed that members of the Bar directly recruited as First Grade Magistrates would be eligible for transfer to the civil judicial department as Subordinate Judges. Accordingly under Government Notification No.3819/C.B. dated 21st December 1922, Mr. Krishnamachar was appointed to officiate as Subordinate Judge from 2nd January 1923 and in 1925 he was confirmed as Subordinate Judge. At that time he represented that he should be assigned his rank above Messrs. P. Mahadevaia and A. Srinivasaragavachar on the ground that he had been appointed as permanent First Grade Magistrate (with the same pay and rank as Subordinate Judge) long before these officers were appointed as Subordinate Judge. The Chief Court however expressed the opinion that his place among Subordinate Judges should be determined with reference to the date of his appointment as Subordinate Judge and not as First Grade Magistrate, that the fact of his having been eligible under Government Order dated 3rd September 1920 to be transferred to the civil line as Subordinate Judge did not give him a right to be treated as Subordinate Judge, and included in the list of Subordinate Judges until he was actually appointed to the pl

and that consequently he should come in, in the list of Subordinate Judges after Messrs. Mahadevaiya and Srinivasaragavachar who had been appointed to the Subordinate Judges' cadre before him. The Government agreed with the Chief Court and ordered accordingly, Vide No.1959-60/C.B. dated 26th December 1925. A further represantation from Mr. Krishnamachar for reconsideration of this decision was not complied with as will be seen from Government letter No.2701-C.B. dated 15th March 1927.

8) Unlike Mr. Krishnamachar who was recruited direct from the Bar, as a First Grade Magistrate, Mr. Narayanaswami Naidu was appointed only as a Second Grade Magistrate in the first instance, and has become a First Grade Magistrate only by promotion in the usual course. He is therefore not eligible for transfer as Subordinate Judge under the terms of the Government Order No.333/C.B. of the 3rd September 1920 above referred to. But as under the proposed unification Scheme his appointment as First Grade Magistrate is to be included in the cadre of Subordinate Judges, he becomes eligible to rank as Subordinate Judge, if and when the Scheme is introduced. He has no

other claim to be made a Subordinate Judge and take precedence over so many senior Munsiffs, who entered judicial Service long before him.

Regarding the cases of Messrs. Abdul Rahim and S. Krishna Murthi, these are Second Grade Magistrates recruited from the Bar on 24th December 1919 and 2nd November 1920, respectively, and were ordered to be appointed as Munsiffs in July 1926. The question of their relative rank in the Munsiffs' cadre then came up for consideration. The Chief Court was of opinion that following the view accepted by Government in Mr. Krishnamachar's case these two officers should be placed just below the officers who had already been made permanent as Munsiffs and that the excess of pay drawn by them should be treated as personal allowance. The Government agreed in this view. A different arrangement was however followed in the case of Mr. G. Krishnamurthi who was first appointed as a Special Magistrate on 20th December 1918, and subsequently taken to the civil judicial line as Munsiff on 8th September 1921. In his case rank was assigned to him in Munsiffs' grade on the basis of the date

Vide Chief Court letter No.186 dated 12th November 1926.

See Government letter No.3256/C.B. dated 12th January 1927.

of his appointment as a Magistrate, on the ground that the two appointments were interchangeable. Vide Government letter No.P. 1205 dated 20th August 1925. Now that the amalgamation of the two cadres is to be made in the permanent interests of both the services, a broad view of the question has to be taken. The only feasible solution appears to be to follow the principle adopted in Mr. G. Krishna Murthi's case and assign to the Magistrates concerned positions according to the dates of their permanent appointments as such.

The allocation suggested above will no doubt involve hardship on individual officers borne on the present civil cadre, many of whom have done excellent work during their long service as Munsiffs. At the same time there is the other aspect to be considered, namely the creation of a much larger number of appointments in the grade of Subordinate Judges opening out better prospects of promotion to Munsiffs and a considerable augmentation of Munsiffs' posts tending to ensure more efficient judicial service, both civil and criminal. As against the hardship to individual Munsiffs affected by the places that may have to be assigned to the three Second Grade Magistrates named above, it may

be observed that by their merger in the Munsiffs' cadre, they lose the chances of a more rapid promotion to the First Grade Magistracy which would otherwise be open to them. On the whole, it appears to me that the Munsiffs as a body as well as the Magistrates will rather gain than lose by the proposed unification.

7. In dealing with these cases, we have to bear in mind the principles on which similar questions were dealt with in the past.

The case of Mr. B.R.Krishnamachar:--

SOME SUGGESTIONS RE: THE SCALE OF PAY OF MUNSIFFS IN THE UNIFICATION SCHEME.

* * * *

1. My first impression is against the reduction of the status of Munsiffs by lowering their minimum pay or creating two grades. Government may be requested to increase the existing cadre by 6 more officers so as to absorb 6 Third Grade Magistrates -- 6 more being Amildars.

2. If for want of funds the Government do not consent to the above, then out of the two alternatives proposed in the Chief Secretary's letter itself (* * *), I would prefer to reduce the minimum pay of all the Munsiffs in the combined cadre and make the grade 150-25/1-450.

3. If this also is objected to by Government as costly, then two grades of Munsiffs may be created,

First Grade, either (a) 250-25/1-450 (as in the case of Asst. Commissioners) or (b) 200-25/1-450 (as per existing cadre of Munsiffs)

and Second Grade, either (a) 150-25/2-250 (as in the case of Amildars and Second Grade Magistrates) or (b) 150-25/2-200.

The Third Grade Magistrates, mostly B.Ls., who are now in Grade 150 to 250 may not be affected, by lowering the maximum from 250 to 200, as they will be preferred to First Grade Munsiffs' vacancies in the course, say, of two years.

4. The fixed salary of Rs.175 may not be advantageous, and 150-25/2-200 seems preferable, as in the latter case the Second Grade Munsiffs will also get periodical increments till they get into the First Grade. Most of the Third Grade Magistrates now get Rs.175/-, and perhaps they will be deprived of the chance to get Rs.200 and Rs.250 now open to them. Also, a Second Grade Munsiff may have to wait on a fixed pay till he gets first grade.

5. In the report, the cases of

Mr. M. Rama Rao, B.A., B.L.,

" Mallikarjunayya, B.A.

and " N. Seetharamayya, B.A., B.L.,

have to be considered, for they are neither Assistant Commissioners nor Amildars, but are graded as pure Magistrates.

In Chapter 18 of the Report submitted by the Laws' Delays' Committee certain recommendations were made in regard to the adoption of temporary measures of relief, for the removal of congestion in the Chief Court and the Courts subordinate thereto. It was pointed out that with the existing strength of the Judges at three, it was not possible to have more than one appellate Bench at a time, and that if by the addition of a fourth Judge temporarily for a period of one year, two appellate Benches could be formed to sit contemporaneously, there was a reasonable expectation of the work in arrears being overtaken and cleared. For the prevention of future accumulation in the Chief Court, the Committee proposed that first appeals in the Bangalore Division should be made to lie direct to the District Court, Bangalore, as is the case in the other two Divisions. Government were, however, of opinion that to achieve the said object the appointment of a temporary additional District Judge for a period of one year would do equally well and involve less expenditure -- an opinion concurred in by the Judges. Consequently, the appointment of a temporary additional District Judge was sanctioned for a

180

period of one year in Government Order No.P.5239-53/Cts. dated 4th April 1927.

As however there were several other matters in respect of which also sanction had been accorded in the said Government Order which could not be given effect to until my report in regard to the general amalgamation of the civil judicial and magisterial functions and of many other allied questions was received by Government, the appointment of a temporary additional District Judge at Bangalore, which was a part of a series in the net work of the Scheme of temporary measures of relief sanctioned by Government, had to be postponed. At the last Conference of the Judges and Members of Government, held in the Council Chamber on the 3rd instant, it became apparent in the course of the discussion of the several matters contained in my reports that for a consolidated scheme capable of satisfying adequately all requirements in the matter of granting temporary relief, the appointment of a temporary fourth Judge in the Chief Court -- alike in the opinion of the Judges as of the Members of Government -- would be preferable to that of an additional District Judge.

Another question of some importance, as to how the vacancies caused by the establishment of a permanent Small Cause Court

at Bangalore and of the appointment of a temporary Subordinate Judge for a period of one year to clear off the arrears at Bangalore and Shimoga, was also considered--whether wholly by promotion from the Munsiffs' cadre or partly by selection from the Bar. Mr. H. K. Veerabasavaiah is now the senior Munsiff at the top of the Munsiffs' cadre. The outturn of his work has of late been getting poorer and poorer. I am afraid he has not been attending to his work very diligently. Nevertheless, I do not want that he should be superseded, at any rate for the present. He may be given an acting Subordinate Judgeship and his work during that period may be carefully watched before the question of his confirmation comes up for consideration.

There has been no direct recruitment from the Bar from the year 1918 to a Subordinate Judge's post. The Laws' Delays' Committee have observed in para 275 of their Report that, without suggesting the absolute prohibition of direct recruitment from the Bar to Subordinate Judges' or District Judges' posts, those appointments should ordinarily be filled by the promotion of Munsiffs. Seeing that for nearly 9 years all the higher grades of civil judicial officers were selected

from the lower grades of the Service, -- and during these 9 years there had been several instances of such rapid promotions -- and regard being had to the proposed increase of appointments among the Subordinate Judges and the prospects of Munsiffs thereby materially improving pro-rata, the selection may on this occasion be made from the Bar to fill up the post of the temporary Subordinate Judge at Shimoga for a period of one year.

As it is the intention to absorb the Third Grade Magistrates recruited from the Bar in the proposed unified Cadre of civil judicial and criminal judicial services, a beginning may be made by giving the last three temporary vacancies among Munsiffs to such of the Third Grade Magistrates as possess the requisite qualifications, and their places may be filled up by recruitment from the Bar.

All the above matters have been discussed at the last Conference and decisions have been reached. The Judges have since considered the question as to how all these vacancies should be filled up, and after mature consideration they are in favour of the following arrangements :--

I. Chief Court :

Mr. M. Ramachandra Rao 1844:184 advocate to be temporary Fourth Judge of the Chief Court.

Correspondence ending with letter No.R.O.C.956/26-27 dated 1st Septr. 1927 from the Registrar of the Chief Court of Mysore forwarding a note on the proposals for the amalgamation of the Civil Magisterial cadres of the Judicial Deptt.

Order No. 2347-2386 | CB 26-27 -6

Dated, 24/9/27

- - - - -

Twenty nine courts of Special Magistrates have been established, as a result of the scheme for the separation of executive and judicial functions introduced in the State since 1919. The officers in charge of these courts are partly drawn from the Civil and Judicial services, but a large number are recruited from the Bar and from among other Law Graduates and form a special cadre, which is divided into three grades ~~corresponding to the grades of Subordinate Judge, Munsiff and Amildar~~. This system by

29

which men of more or less similar qualifications are allocated to two different branches of the Judicial service has led to inequalities in the rate of promotion among these officers. It has also prevented free interchange of officers between Civil and Judicial and Criminal duties according to the exigencies of the public service. It was therefore considered desirable to amalgamate the two services and the views of the Chief Court were invited on this proposal. The Judges have generally agreed that the continued maintenance of a special cadre of Magistrates is unnecessary and that the officers now belonging to that cadre might be ~~transferred~~ given suitable places in the Civil Service or in the Civil Judicial Department, according to their qualifications and experience.

Govt. are therefore pleased to direct the abolition of the separate cadre of Magistrates. Officers posted to the charge of Magistrate's Courts will in future be drawn from the Judicial Department and the Civil Service (including Revenue Sub Division Officers and Treasury Officers) in the proportion mentioned below:--

Subordinate Judges ..	5
Asst. Commrs. including Rev. Officers, (non-Civil Service)	8
Munsiffs ..	16.

There will be two grades of Munsiffs - viz., 1st grade .. Rs.250-25-450.
2nd grade .. Rs.150-25/2-200-25-250.

3. Govt. have also taken into consideration, in this connection, the additional appointments sanctioned on the recommendation of the Laws Delays' Committee and are pleased to fix the strength of the Judicial cadres as follows:--

Subordinate Judges - 10 permanent + 2 temporary.

Munsiffs 1st grade - 2~~8~~ permanent.

do. 2nd grade - 1~~5~~ permanent + 3 temporary.

4. After the officers now acting as Munsiffs are absorbed, ~~xxxxx~~ vacancies in this grade, will, as a rule, be filled up by the promotion of officers from the 2nd grade.

5. If in the reallocation of the existing officers it is found that any Magistrates of the 2nd grade cannot be taken as Munsiffs (1st class) they will be transferred to the cadre of Revenue Officers, the scale of the latter being temporarily raise by a corresponding reduction in the number of Munsiffs, 1st class. Similarly 3rd Grade Magistrates that are not ~~n~~ taken as Munsiffs will be given a place among Amildars.

6. The Chief Court will be requested to send proposals regarding the allocation of officers according to the principles

mentioned above.

The additional cost involved in these arrangements as shewn in the accompanying statement, will be met from the lumpsum provision made in the budget for improvements in the Judicial Department.

Subordinate Judges	5
Assistant Commissioners including Revenue Officers (non-Civil Service)	8
Munsiffs	16

There will be two grades of Munsiffs, *viz.*—

First Grade	Rs. 250–25–450.
Second Grade	Rs. 150–25/2–200–25–250.

3. Government have also taken into consideration, in this connection, the additional appointments sanctioned on the recommendation of the Laws Delays' Committee and are pleased to fix the strength of the Judicial cadres as follows:—

Subordinate Judges	10 permanent + 2 temporary.
Munsiffs, First Grade	28 permanent.
Do Second Grade	12 permanent + 3 temporary.

4. After the officers now acting as Munsiffs are absorbed among Munsiffs, First Grade, vacancies in this grade will, as a rule, be filled up by the promotion of officers from the Second Grade.

5. If in the re-allocation of the existing officers it is found that any Magistrates of the Second Grade cannot be taken as Munsiffs (First Grade), they will be transferred to the cadre of Revenue Officers, the scale of the latter being temporarily raised by a corresponding reduction in the number of Munsiffs, First Grade. Similarly Third Grade Magistrates that are not taken as Munsiffs will be given a place among Amildars.

6. The Chief Court will be requested to send proposals regarding the allocation of officers according to the principles mentioned above.

7. The additional cost involved in these arrangements as shown in the accompanying statement, will be met from the lump sum provision made in the budget for improvements in the Judicial Department.

Dear Mr. Doraswami Iyer,

I send herewith a copy of Government Order No 2347-2388 dated 24.9.27 sanctioning the amalgamation of the Civil and Magisterial Cadres of the Judicial Department.

The persons recommended for appointment as Munsiffs in your letter No.33/27-28 dated 15th September 1927 are approved. Government are also in agreement with your views as regards the principle to be adopted in fixing the rank of Magistrates in the new combined cadre. Yours sincerely,

To

C. S. DORASWAMI IYER ESQ., B.A., B.L.,

Chief Judge, Chief Court of Mysore,

Bangalore.

Circulated to the Judges:—

1. The allocation is alright & the rank assigned is also in accordance with the principle enunciated by me & accepted.

2. By the promotion of Messrs. S.A. Vaikuntharaja & C. Hoovappa to the Subjudge's grade there will be two more vacancies in the Munsiff's grade: these two places can be filled in only after Messrs. M. Ramarao & G. Mallikarjunaiah are reverted

from the Judicial Cadre - Govt intend doing it - Mr M Ramarao is now on other duty. Therefore an acting appointment in his place has to be made - Mr. Abdul Razack will revert as Asstt Asst - Until that is done he will fill up the vacancy caused by Mr. M. Ramarao being O.O.D. We might as well suggest. Mr. S. K. Venkataramana Iyer acting as Asstt Asst being put in now in the place of Mr Abdul Razack & the latter may be put back as Asstt Asst - Mr. S. K. V. is a very Competent Officer - He was in the Chief Court before he was taken into the Secty - Had he continued in the Ch. Ct he would have come for a Munsiffs place by this time - The other vacancy to may be filled up by selection from the Bar after Mr Mallikarjunaiah reverts.

Camp MYSORE.

SIR,

With reference to Government Order No.2347-2388/C.B. 76-27 dated 24th September 1927, fixing the strength of the Judicial Cadre, and your Confidential D.O. to the Chief Judge of the same date, allocating officers in the revised Grades, I am directed to recommend the postings and transfers as detailed in the accompanying statement, and to request that necessary orders may be passed so that they may come into effect from the 14th of October 1927.

2. I am to state that in the case of Messrs. Veerabasavaiya and Vaideswara Iyer, in view of the fact that they will be appointed as Subordinate Judges, it is found necessary to post them to the charge of important courts at District Headquarters, and hence they have been posted to Kolar and Hassan, respectively.

3. Among the 55 officers allocated in the Judicial Cadre are included Messrs. Abdul Razack and Mallikarjuniah who are to be eventually absorbed either in the Revenue or in the non-judicial cadre, which will give two more vacancies for being filled up in the Judicial Cadre.

4. It is understood that Mr. A. S. Govindaraj Mudaliar, shown as on combined leave in the allocation list, has since joined duty as Special Magistrate, Saklespur and that Mr. M.N. Balaraj Urs has, on the expiry of his leave, taken charge of the Special Magistrate's Court, Kolar Gold Fields.

5. I am to add that Messrs. T. S. Ananta Murthy, Special Magistrate, Hole Narsipur and Abdul Razack, Special Magistrate, Tarikere, have applied for leave and their applications, together with recommendations for filling up their vacancies, are being sent up separately.

N. MADHAVA RAO, Esq., B.A., B. L.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore.

To

A. SRINIVASARAGHAVACHARI ESQ., B.A., B.L.,

Registrar, Chief Court of Mysore.

Sir,

With reference to the correspondence ending with your letter No.R.O.C.391 dated 28th September 1927 regarding promotions, appointments and postings of Judicial Officers, I am directed to state as follows:-

(i) The allocation of officers as finally agreed to by the Judges (vide Chief Judge's D.O. letter dated 25th September 1927) is approved by Government and a copy of the same is herewith forwarded for information and record. The order in which the new persons proposed to be appointed should take rank among themselves will be finally settled after hearing from the Chief Court their final views in the matter. Thhse that have acted as Munsiffs should ordinarily take precedence over those that have acted only as Special Magistrates of the 3rd Grade and the latter over new recruits unless for any special reasons this order requires to be changed in these instances.

(ii) It is understood that Mr. B. K. Ramakrishnaiya has not applied for the post of Munsiff. The inclusion of his name is contingent on his consenting to the appointment. To save time, I have been asked to ascertain if he is willing to accept the post, and shall write to you again in a day or two.

By
It is since ascertained that he has been consulted & has agreed.
(Sd) N.M. 30.9.27

(iii) Action will be taken to transfer Mr.Abdul Razaak to the Amildari service on his return from leave. But Mr.Mallikarjuniah cannot be immediately absorbed in the Revenue Department and until such time as it may be possible to transfer him to that department, he will continue to count against one of the appointments of Munsiffs, First Class.

(iv) Government note that it is the intention of the Chief Court to recommend Mr. S. K. Venkataramana Iyer, B.A., B.L., now acting as Amildar, for the next vacancy among the Munsiffs, Second Class. It is understood that he never practised as a Lawyer, but in view of his special qualifications and of the fact that it is not intended to restriot recruitment rigidly to the members of the Bar, Government have no objection to the proposal.

(v) I am also to suggest that an early opportunity may be taken to provide a Munsiff's place for Mr. K. V. Nanjappa, B.A., LL.B., whose appointment as Third Grade Magistrate was notified by Government, although it did not actually come to effect.

(vi) As regards the designation of Magistrates, in future, I am to state that they will no longer be styled First, Second and Third Grade Magistrates, but will only be distinguished by the powers exercised by them and the places at which they are stationed.

2. In view of the remarks on the work of Messrs. H. K. Veerabasavaiya, and S. A. Vaidesvara Iyer, their promotions to the grade of Sub Judge must be regarded as on probation. Government will be glad if these officers are informed accordingly.

With these observations I am to state that the proposals of the Chief Court are approved and pending the issue of the

66

necessary notifications, the officers, whose transfers have been recommended may be directed to hold themselves in readiness to join their new appointments after the Dasara holidays.

If the Chief Court sees no objection, the names of persons ~~xxxxx~~ who acted as Munsiffs on previous occasions may appear first and/ those ~~xx~~ who acted as Special Magistrates may follow, the names of Advocates now recruited for the first time being placed last.

Representation

of

N.Balakrishnaiya, B.A., LL.B.,

Advocate, Bangalore City.

I am offered the post of a 2nd Class Magistrate. In 1919, I joined Service as a Revenue Probationer and in 1921, I was virtually in the Grade of an Amildar; and thinking that the promotions are slow, I gave up the Office and began to practice at the Bar.

About 4 years ago, I was offered the post of a 2nd Class Magistrate and I did not accept the same as the Grade was the same as that of an Amildar.

Last year, however, I was entertained in the Civil Judicial Department and acted twice as Munsiff and I beg leave to submit that my capacity for the work is recognised.

Now again, the same post of a 2nd Class Magistrate is offered, and, if accepted, my position after 6 years will not be better and my rank will be far below than the existing Magistrates who are far my juniors in age and experience.

I therefore pray that my representation may be considered and the post of a Munsiff under the existing rank and status might be given to me.

Dear Mr.Doraswamy Iyer,

With reference to your D.O.letter of the 25th September 1927 regarding the allocation of the Judicial Officers in the revised cadres of Sub Judges and Munsiffs, I am desired to inform you that the matter was further considered in Council this morning when it has been decided that Mr.S.A.Vaideswara Iyer, Munsiff need not be promoted to the Sub Judge's Grade at present in view of th unfavourable remarks of Mr.Justice Plumer about him. Therefore the next Munsiff Mr S.R.Ramaswami Iyer is proposed to be promoted as ~~Acting~~ temporary Sub Judge in place of Mr.Vaideswara Iyer.

With this modification the draft notification about confirmations and promotions of Judicial Officers will be issued to day.

If Mr.Vaideswara Iyer does good work hereafter and is found by the Chief Court to be deserving of promotion his case may be considered at the next vacancy.

Please let me know whether any change is required in the postings and transfers recommended by the Chief Court in the Registrar's letter No.R.O.C.391/27-28
